Dear Ashley

I am delighted to confirm that your school has been reaccredited for the NACE Challenge Award.

I would like to thank you and all your staff and students for making us feel so welcome and enabling us to carry out the audit effectively. I would also particularly like to thank Sarah for putting so much work into the organisation of the day and for her excellent coordination of the provision; it has been a delight to work with her.

Overall, Redbridge School is an exceptional school which has continued to develop its practice and makes very good provision for its more able pupils. It recognises the need to challenge all pupils to achieve the highest levels of performance and this culture of high aspirations pervades every aspect of the school's work. The whole atmosphere in the school is warm and lively, offering a positive learning environment and it was a pleasure to spend the day in the school.

I have attached a summary of the areas which have been identified as particular strengths in the school, as well as some areas of development for your action plan. The school will be eligible for re-accreditation in April 2027.

Please pass on my thanks to the staff and students for their helpful contributions to the day. Many congratulations to everyone involved, and I hope that this award will provide further external recognition of your school's commitment to quality whole school provision for more able students.

Yours sincerely

Heather Clements
